

American Lincoln Sweeper Parts

The American Lincoln division is now connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are known in the industry as strong and durable machinery which satisfies all the requirements of heavy industry and larger infrastructure. Products made in the United States of America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind version of floor scrubber with the Clarke Company which is now likewise owned by Nilfisk Advance. Their production operations are primarily based in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln can provide parts, warranty service and machinery for these scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Wal-Mart and Target. The 7765 line has earned the respect of many facility managers where results and efficiency count. Recently, this particular floor scrubber model has been requested by the architects in new construction projects like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this particular sweeper scrubber on location due to the model's utmost performance level and high standard of quality for polishing concrete.
